PJ's Journal (Pastor Jim)

Recently, Ken Braddy, the Leader of Sunday School ministries at Lifeway, came and led an adult Sunday School Training event at First Baptist. I was encouraged by our leadership's turnout. They love you enough to give up a Friday night for training. Make sure to tell them thank you for all they do!

As I was reading one of Ken Braddy's blogs recently, he wrote some things that really hit home about role of the Sunday School. Here's part of that blog: "Sunday School may be defined as follows: Sunday School is the church's foundational discipleship strategy for people of all ages where they learn to think and act like Jesus through the power of the Holy Spirit. Sunday School must be accessible for spiritually lost persons while simultaneously meeting the needs of growing believers.

Disciples learn in rows but grow in circles. This acknowledges the importance of a small-group strategy for growing believers as disciples beyond what they learn and experience in a worship service. "Preaching to make disciples is like going to the nursery and spraying crying babies with milk and saying you just fed the kids...discipleship involves more than preaching and listening." Southern Baptists have long been known as people of the Word, and they have also been known for their strong commitment to teaching the Bible in small groups through the ministry of Sunday School."

Are you involved in a Sunday School class? A Sunday School class is where you build relationships, study the Word, and have fellowship with other believers. We need each other and this is the place to meet that need. If you're not in a class, come and join us at 10:00am this Sunday. We have classes for all ages. There's a class that will fit you!

God is working at First Baptist. Come join us and get plugged in! Have a great week!

Love y'all,
PJ
